Air Quality Forecast for the UK

Issued by the Met Office

Today: Mostly low levels of air pollution are expected across the UK on Tuesday, however moderate levels expected at times near major urban areas. In particular around London, light winds blowing from the south may also bring moderate levels of pollution northwards downwind of London.

Tomorrow: Air pollution levels are expected to be low on Wednesday.

Outlook: Low levels of air pollution are forecast across the UK through the week, with increasingly unsettled weather arriving from the Atlantic.
